KUE KINGDOM

TO ALL MEDIA HOUSES

FOR IMMEDIATE RELEASE

THURSDAY, 21<sup>ST</sup> DECEMBER 2023

## **PRESS RELEASE**

### DISCLAIMER

The attention of Kue Kingdom has been drawn to a publication circulation on social media inviting Tem-kotokoli citizens to a press conference on 22<sup>nd</sup> December, 2023 at International Press Center by a self-proclaimed amankrado of Kue Sakibu Ateku Afora in relation to recent clashes in Nkwanta municipal of OTI region and the claim of Kue by Akyode.

The overlord of Tem-kotokoli Ghana, Wuro Dauda Tchedre Brenai II chief of Kue in Nkwanta Municipal, OTI region wishes to inform the general public and all Tem-Kotokoli citizens that he has not appointed anyone as amankrado in his cabinet or council and therefore distances himself from any statement or implications of such conference. Moreover, the self-proclaimed amankrado Sakibu Ateku Afora is not a Kue royal, does not live in Kue nor holding any position/title in Kue stool and therefore has no authority or legal right to act on behalf of Kue Kingdom. We are under Akyode traditional council and the Akyodes have never claimed our hometown as being speculated by the so called amankrado. The Overload calls on everyone to disregard such press conference.

A press conference will be organized in due course to clear the mind of the general public and particularly Tem-Kotokolis about their hometown Kue stool affairs.

Thank you.
