The Management of Wontumi Multimedia wishes to render its unqualified and unreserved apology to the Kumasi Traditional Council (KTC) and Nananom for the unruly behaviour exhibited by one of our hosts at Wontumi Television by name Lawyer Maurice Ampaw.

Management understands the importance of upholding respect and dignity, especially when it comes to matters involving customs and traditions, as well as esteemed figures like yourselves.

We recognize that the conduct displayed by Lawyer Maurice Ampaw through our medium Wontumi Television, was completely unacceptable and does not reflect the values and standards of our organization.

We are taking immediate steps, as a matter of urgency, to address this issue and ensure that such behaviour is not repeated in the future.

For this reason, management has decided to suspend the airing and broadcast of 'Mmra Ne Abrabo Mu Nsem' Show indefinitely until final resolution of all outstanding issues concerning this unfortunate incident.
